SF STATE EXTENDED LEARNING

Spring
2012

SF STATE Open University

REGISTER ONLINE

www.cel.sfsu.edu/register/webreg/

Easy access to over 3,000 SF State classes
Without formal admission

Take SF State credit courses without being admitted to the university.

Test a degree program to see if it suits your educational aspirations.

Improve your grade point average if your first attempt did not meet your goals.

Start accumulating credits which can apply to your degree once you are admitted to the university.

Participate in an array of classes that will fulfill your personal, intellectual, and athletic interests.

ORGANIC CHEMISTRY I
ORGANIC CHEMISTRY I LABORATORY
ORGANIC CHEMISTRY II
PRINCIPLES OF FINANCIAL ACCOUNTING
PRINCIPLES OF HUMAN PHYSIOLOGY
SEX AND RELATIONSHIPS
THE PSYCHOLOGY OF THE FAMILY
U.S. FOREIGN POLICY
WESTERN ART HISTORY II

Do You Want to Take University Classes *NOW?*

Open University allows students to participate in regular university classes at SF State.

Registration is easy—formal admission to SF State is not required.

Classes taken through Open University at San Francisco State University may apply toward your professional skills, your personal interests, or your future degree.

Now you have access to San Francisco State University courses each fall and spring semester.

More Questions?

Call (415) 405-7700

High school students who will have completed their junior year may register with the written support of their principal or counselor accompanying their registration form and fees.

Classes are held at SF State Main Campus, 1600 Holloway Avenue

It's a great time to set goals and try something new.

How about taking that
class you've been thinking about?

Earning Credit Toward a Degree Through Open University

Open University courses are recorded as resident credit on SF State transcripts and can count toward undergraduate and graduate degrees at SF State, but there are limitations.

SF State will accept credit toward a baccalaureate degree up to 24 semester units of SF State Extended Learning credit.

SF State will generally accept for transfer credit toward graduate degrees up to six semester units of Open University credit.

For further clarification of credit limits as they pertain to Open University coursework, please contact the Admissions Evaluations office at (415) 338-1634 or the Graduate Division at (415) 338-2234.

Open University may be for you if you:

- Missed the deadline for spring 2012 admission to SF State degree programs
- Want to update your professional training and job skills
- Want to test your interest in a field before entry or reentry
- Want to explore personal interests
- Want to earn more units after disqualification from a degree program
- Did not attend as a matriculated student during the previous two semesters (fall and spring)
- Were disenrolled or disqualified from the University

Open University is probably not for you if you:

- enrolled for spring or fall 2011, or spring 2012 as an admitted SF State student
- were denied graduation for fall 2011

If one of the above examples applies to you, please contact the Registrar's office at (415) 338-2350 before registration to determine if you are eligible for Open University.

Matriculated (admitted) SF State students may not enroll through Open University. If you ignore this policy and register in Open University courses, any units you earn through Open University will be removed from your records. There will be no exceptions to this regulation and no refund of fees.

Maximum Units for Open University

Students may enroll in a maximum of nineteen units for the spring semester.

International Students

I-20 forms cannot be issued for students enrolling in academic credit classes through Open University unless such courses are taken as part of an SF State Extended Learning certificate program. Students who have a valid visa, or an I-20 from another school, may take courses through Open University. These students will be personally responsible for ensuring they remain in compliance with INS regulations.

How to Register

Follow the steps below:

1. **REVIEW** and **SELECT** courses. The SF State class schedule is available on the web at www.sfsu.edu/online/clssch2.htm.
2. **ATTEND** the first class meeting.
3. **OBTAIN permit number** if the instructor approves your admission to the class. It is also possible for students to obtain an instructor signature on an Extended Learning Registration Form in lieu of a permit number, but this requires in-person registration.
4. **ENROLL** by Feb. 17 in one of the following ways. Schedule number and permit number are required for registration.
 - **ONLINE**
www.cel.sfsu.edu/register/webreg/
 - **OVER-THE-PHONE**
(415) 405-7700 (option 5)
 - **IN-PERSON** at the SF State Main Campus or the SF State Downtown Campus.
5. **PAYMENT** for courses can be made as soon as a student registers. Fees must be paid by student's payment due date (see Payment Due Date section below for more details).

Payment Due Date

Students who register for Open University from Jan. 23-Feb. 3 must pay fees by Feb. 3 to avoid being dropped for non-payment. Students who register in Open University classes from Feb. 4-17 must pay fees by 5 pm on the day that they register to avoid being dropped for non-payment.

The last day to register and pay for short courses with weekend meetings is the Monday following the first day of class.

Fees

Lecture courses are \$295 per unit

Science lab courses are \$315 per unit

Open University allows you to

- Take SF State credit courses without being admitted to the university. No transcripts, applications, or other documentation are required. Apply credits you earn to a degree later, if you wish.
- Test a degree program to see if it suits your educational aspirations. You can find out if your passion for microbiology, Egyptology, or musicology is satisfied through academic study.
- Improve your grade point average if your first attempt at college courses was less than successful. If you have been disqualified from the university or denied admission because of a grade point deficiency, you can enroll through Open University and get a second chance to show your true potential.
- Start accumulating credits which can apply to your degree once you are admitted to the university. There are limits to the number of Open University courses that can apply to a degree, so you must be careful not to take more units than will count.

For most SF State Graduate Programs,
only 6 units of coursework taken in Open University
before admission to a degree program
may be counted toward the degree.
For more information contact a Graduate Studies Advisor
at (415) 338-2234.

Prerequisites

Read the course description and footnotes in the SF State schedule. If you have not met the prerequisites and later must drop or withdraw from a course, you will be subject to standard refund deadlines and policies. Read the course descriptions to be sure you fulfilled any prerequisites and are eligible to enroll in each course. Complete course descriptions are listed in the SF State Bulletin and are available by accessing SF State's homepage at www.sfsu.edu, in the library, and in the SF State Bookstore.

If you enroll in a course and have not fulfilled test score and/or other prerequisites, SF State reserves the right to withdraw you from the course(s) with no refund. Instructors do not always check prerequisites; their signatures on your registration form do not indicate that any prerequisites have been waived. If enrollment depends on passing a test which must be taken prior to enrollment, such as the ELM (Entry Level Mathematics Exam) or EPT (English Placement Test), you must provide proof of ELM/EPT clearance or exception to the SF State Extended Learning at the time of registration. For information on the ELM and/or EPT exam(s), contact the SF State Testing Center at (415) 338-2271.

Course Restrictions

The following classes are unavailable through Open University:

- Graduate business courses (700-899).
- Most graduate classes in Health Education, specifically HED 810, HED 811, HED 815, HED 820, HED 821, HED 822, HED 825, HED 828, HED 829, HED 830, HED 831, HED 835, HED 840, HED 855, HED 884, HED 890, HED 895.
- Most graduate counseling courses, with the following exceptions: COUN 700, COUN 702, and COUN 703.
- Multiple subjects credential core courses in the department of elementary education, specifically EED 679, EED 681, EED 682/782, EED 684, EED 685, EED 686 and EED 783.
- Graduate culminating experience courses, numbered 892, 893, 894, 895 and 898.
- Independent Study courses, numbered 699 and 899.

To register for Independent Study courses see www.cel.sfsu.edu/register/grades.

Although graduate business courses (700-899) are not available through Open University, students who are not admitted to SF State should contact Jeff Chun at jeffchun@sfsu.edu to determine if they are eligible to enroll in a Special Session section of one of these courses. If allowed to register, the course will cost \$1,161 per unit.

Transfer of Fees: (415) 405-7700

Transfer of fees is permitted for adding and dropping if the transaction is submitted in person on one add/drop form, or by phone to SF State Extended Learning by the Drop Deadline. After the Drop Deadline, students must withdraw from courses which earn academic credit. During the Early Withdrawal Period a transfer of fees is permitted only if students submit an add/drop form and a petition for withdrawal signed by instructor and department chair/program director in person to the Extended Learning office. If the amount of the added course exceeds the amount of the available refund for the dropped course(s), the non-refundable portion of the dropped course fees can be applied toward total fees due. These non-refundable fees are not included in any subsequent refund calculation.

Refunds

Full refunds are not available for semester-length Open University courses after the session start date. To determine the deadline for refund of 65% of course fees for semester length Open University class, see the Calendar and Deadlines section at www.cel.sfsu.edu/register/calendar/. The effective date of a refund request is the day the add/drop or withdrawal form is received by SF State Extended Learning. A refund check is mailed to the address listed on the add/drop form. Allow six to eight weeks for refund check processing. According to CSU regulations, credit card accounts cannot be credited.

Withdrawal

See Open University sessions information in Calendar and Deadlines section at www.cel.sfsu.edu/register/calendar/. Students may withdraw from courses after the Drop Deadline and receive a grade of "W" by securing the approval signature of the instructor and the department chair and/or college dean on a withdrawal petition. (Note: failure to attend does not cause students to be dropped from a course.)

Do not put a stop payment on a check to drop or withdraw from a course. This results in a financial obligation to SF State for the course fee, plus an additional \$20 charge. Failure to withdraw officially from a course generates a failing grade of "F" or "WU".

Course Numbering System

000-099	Remedial (units do not count toward graduation)
100-299	Lower Division
300-699	Upper Division
700-899	Graduate and Post-Baccalaureate
900-999	Joint Doctoral Courses

Disability Programs & Resource Center

For information concerning special services to accommodate a physical, perceptual, or learning disability, please contact the Disability Programs & Resource Center on the SF State Campus at (415) 338-2472 voice/TTY.

Here are some additional typical courses offered by Open University:

Anthropology of Women	Electric Circuits
Fashion Merchandising	Elementary Golf
Print Workshop-Intaglio	Arab American Identity
Glass Blowing	Investments
Wetland Ecology	Drugs and Society
African Philosophy	Newswriting
Economics for Managers	Starting A Business
Soundstage Workshop	Internet Marketing
Aquatic Fitness	Tae Kwon Do
Feature Writing	Ethics in Medicine
Ballroom Dances	Urban Housing
Nutrition in Health	Conceptual Physics
School Administration	Theatre Workshop
	Sign Language
	Preschool Intervention
