The Certificate in International Business is designed to offer students the opportunity to acquire competencies in international business in two semesters. The program consists of eight courses that focus on conceptual, theoretical and practical skills. The program prepares students to seek a career or advancement in a wide array of global industries. Semester option is available.

PROGRAM OVERVIEW

The Certificate in International Business takes two semesters to complete. To earn the certificate complete the following five core courses and choose three electives. The program currently offers more than 15 different electives on a rotational basis. Electives focus on entrepreneurship, innovation, doing business in different countries and regions, leadership, cultural competencies, human resource management, business negotiations and management.

- International Business and Multicultural Relations
- Import-Export Management and Small Business Operations
- Seminar in Comparative Management
- International Environmental Analysis
- Global Strategic Management
- Global Leadership and Cultural Competencies
