SAN FRANCISCO STATE UNIVERSITY | COLLEGE OF EXTENDED LEARNING

OPEN UNIVERSITY

Take undergraduate and graduate classes without having to go through the formal admissions process. Open University offers you a great chance to learn a new skill or get an early start on college classes. No transcripts, applications, or official university documentation required.

Why take Open University classes?

- You can apply up to 24 undergraduate units toward a bachelor’s degree or six graduate units toward a master’s degree at SF State.
- No formal admissions process required to attend courses
- Boost your skills by learning about the latest industry trends

Who should take Open University?

- A College Student looking to improve their GPA before re-enrolling at SF State or other university
- A Community College Student who wants to take upper-division coursework early
- A High School Student who is ready to take college-level classes in your junior or senior year
- A Professional looking to learn new skills in a rigorous academic environment

If you are currently enrolled at SF State you are not eligible to participate in Open University.

How much do Open University classes cost?

- Classes cost $395 per unit*. Fees are the same if you are a California resident, an out-of-state student or international visitor.

*Tuition is subject to change.
