International students must agree to obtain insurance coverage for health, medical repatriation and evacuation that meets the NAFSA medical insurance guideline for admission. Students must have CSU medical health insurance before registering for classes. Once you have purchased the SF State sponsored health insurance policy, it will be automatically reported to SF State Registrar’s Office and College of Extended Learning.

All international students in F-1 status are required to have sufficient health insurance during their period of enrollment at San Francisco State University. F-1 International students are required to satisfy the insurance requirement through purchase of the CSU-sponsored insurance with **Aetna Student Health** through Wells Fargo Student Insurance Services at [http://www.csuhealthlink.com](http://www.csuhealthlink.com). There are two exceptions to this policy:

1. Students on a government-sponsored scholarship which provides compatible insurance coverage as a part of the sponsorship. To clear hold: E-mail a proof of your government scholarship that includes reference to your health insurance to CEL at JoyO@sfsu.edu. Please include your full-name and SF State ID in your e-mail.

2. Students receiving insurance coverage through an employer-sponsored plan in the United States (i.e. receipt of insurance is a part of the U.S. employment compensation through your spouse): please contact CEL at JoyO@sfsu.edu Include your full-name and SF State ID in your e-mail.

**PLEASE NOTE:** To ensure that all international students provide sufficient evidence of coverage, an International Health Insurance Hold must be cleared before you can enroll in courses for an upcoming term. You must also show proof of your Measles, Mumps & Rubella (MMR) immunization before you can enroll in classes.
